Airstrikes on Al-Hadirah Village

Sanhan - Sana'a Governorate

10 July 2015

After three months of the starting of the military operation in Yemen ,the Saudi-led coalition targeted Al-Hadirah village which is 8 km far away in the east south of the capital city – Sanhan district –Sana'a governorate , killing lots of civilians in this period without any legality and morality , it is a crime regarding to the international humanitarian law. The simple houses of this village houses many innocent civilians who didn't take part in the hostility .

Satellite picture shows Al-Hadirah village set.

Description:

At 1:30 p.m. on Friday 10 July 2015, men and children finished their prayers at the mosque of the village. While they were walking to their houses, they heard the sound of the Saudi warplanes and then a huge bombing in the mountain which is empty , 5 km far away from the village to the south side, they heard the huge explosion so they ran to their houses after that the aircraft deliberately targeted the village with missiles and killed many men, women and children .one of the houses belongs to a civilian called Mujali Mujali Ahmed and the other house belongs to Hussin Al-Gawzi were both completely destroyed .

The bombing led to the killing of 11 civilians ,among them 5 children and four women , and left seven civilians injured , among them 3 children and 2 women some of them with critical condition . This attack also caused the complete destruction of two houses .

Legal Center visited the village and interviewed the Survivors and witnesses and documented their testimonies also visited the injured in the hospital and confirmed that the Saudi Arabia targeted innocent civilians in a residential area which is a breach of the international humanitarian law.

Witness's Statement:

- Abdullah Hussein Al-Jawzi (35 Years Old)

One of the survivor of the bombing, a bus driver who has a simple house consists of one floor and houses Abdullah and eight of his family members (his wife, children, his mother, and his brother's children). This house is what they inherited from their poor father, he reported that "After we went out from the mosque it was half past one o'clock, I and my neighbor Mojali went to our houses, he entered to his house

Abdullah Hussein Al-Jawzi

and I talked to some of my friends in front of my house we heard the flying of Saudi aircrafts and then a huge explosion in a mountain, 5 km far away from the village. Moments later, the aircraft bombed my house and my neighbor Mojali's house with a missile, resulting in serious harm to my head, face, neck, and hands. My house and my neighbor's house turned to debris. My wife Wafa and Najm, a newborn, died as she was feeding him, my dearest mother, over 80, also died, my sister Mona, 35, and my nephews Taha and Ahmed died too. My sisters Hanan and Han'a were injured, I lost my family, my house, and the bus which is my livelihood also the livestock, I don't know what is my guilty to bomb my house and destroy my life?"⁽¹⁾.

- Akram Mojali Mojali (17 years old) and his sister Fatima (13 years old)

Who survived the bombing, the only survivors of their family which consists of (8) members, Akram reported while he was crying: "After we return from the mosque on Friday, my father was taking a rest in our house from the heat of the sun also he was fast, my mother was neatening our house, my brothers Eman, Mojali, Ziad, and Mohammed were playing in the hall of the house, my sister Fatima was with my mother

in the kitchen, the Saudi aircraft destroyed the house on our heads .Our neighbor's house was also destroyed , they pulled us from the rubble. I was unconscious they took us to the hospital. All my family members were killed except me and my sister Fatima"⁽²⁾.

- Fatima: Reported : " After performing the Friday prayer , the Saudi aircraft bombed our house with a missile and killed my father, mother, and sisters. I and my brother were seriously injured, moreover our house was completely destroyed, we don't have a place to stay in it and we don't have anything , we don't know where to go, we are orphans now."⁽³⁾

Two children sitting on the ruins of their home destroyed in a Saudi airstrik.

- Hanan Hussein Al-Jawzi (20 years old) and her sister Hana'a (30 years old)

Hanan said: "A missile hit our house when I was in the bath ,causing the bath roff to fall on my head,I was wounded in my right leg, back,and my head. They took me from under the debris to a hospital in 48 Street. My house was completely destroyed, I surprised that my mother, sister, my brother's wife, and her newborn child Najm, who is ten days old, died. As you see, I am in my uncle's house, because I don't have a place to live in, I lost my family and my house."⁽⁴⁾

- Hana'a:Reported " the missile fell down on our house I was in the kitchen which is outside of the house in the garden, preparing food for my sick mother I found myself lying on the ground because of the explosion. I was wounded in my head and arm. My mother,sister and brother's wife and his son died. Also our nephew Taha and Tarq were wounded. Moreover, our house and our neighbor's house were completely destroyed. We don't know what we did to bomb our house?"

(4) Legal center met the victim in Al-Hderah village in her uncle's house on Saturday at 11th of July 2015

- Jamil Mohammed Musleh (25 years old), reported that "At 1:00 o'clock, we heard the fall of the first missile on Al-Qarwan mountain which is 5 km away from us and the second missile which fell on Al-Hadeirah village and targeted two citizen's houses (Mujali Ahmed Mujali and Hussein Al-Jawzi) destroyed them completely. This attack left all the family members of Al-Jawzi's family dead except for a girl and a boy and injured seven others .We took the corpses from under the debris (the wife of Abdullah Al-Jawzi her name is Afaf and her newborn baby he is ten days his name is Najm) We took all the injured to Al-Jadi Medical Center and buried all the killed citizens. Our bus, which is the only livelihood of the family, was destroyed. Also, 15 houses were damaged as a result the huge explosion."⁽⁵⁾
- Ahmed Saleh Hassan Al-Jawzi (60 years old), one of the victims' relative , said:" I saw the missile from the roof of my house , moving toward Al-Hadirah village. It fell on my brother in law's house, I went to the targeted place and saw the two houses wich were completely destroyed, we took the bodies from under the debris (my niece Mona Hussein and the wife of Abdullah Hussein and her newborn baby (Najm). Also, we took Latif Saleh Al-Jawzi and my nephew Taha Ahmed Hussein who is in critical condition ."⁽⁶⁾

Lots of witnesses with whom we interviewed declared that there is no military camp inside or nearby the targeted place, all inhabitants are all civilians and most of them children and women.

Violation Description According to the International Law.

 **Legal Center** confirms that the Saudi-led coalition breached the rules of the international humanitarian law and committed crimes against innocent civilians which entails accountability according to the basic Roma System. The Saudi-led coalition didn't comment about the accident in local and international media which confirms the overstepping of the international humanitarian law and its responsibility for crimes against innocent civilians.
