

Due to prevailing conditions in the areas covered by the Al Hudaydah Hub, it was not possible to hold focus group discussions in the Hub in July 2018. Access severity scores were based on a desk review of changes in conditions since the February 2018 focus group discussions with humanitarian actors. Due to shifting frontlines, the scores of the districts of Al Khawkhah and Hays were based on focus group discussions in Aden.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.
