Crisis Figures:

Population of Yemen: 29.3 million	People in need of WASH assistance: 16 million	People in need of food assistance: 17.8 million	People in need of health care: 16.37 million	IDPs & Returnees: 2.9 million
People in need of humanitarian aid: 22.2 million	People in acute need: 11.3 million	People in need of protection: 12.9 million	Women in need of protection: 6.31 million	

Humanitarian Context

As of 17 July, 1,014 displaced households have been assisted through the rapid response mechanism (RRM). The figure includes 271 displaced households currently living in six public schools in Sana'a City. As schools are due to reopen in few weeks, discussions and assessments are underway to move the IDPs to the Olympic Centre dormitory in the Capital.

Casualties among civilians including children reported, figures are not confirmed. As of 29 July, 1,961 displaced HHs from Al Hudaydah Governorate have been assisted through the rapid response mechanism (RRM) out of a total of 4,686 HHs registered.

On 26, 27 and 28 July, airstrikes occurred near a reproductive health centre and public laboratory in Al

Hudaydah and hit and damaged a sanitation facility in Zabid and a water station, which supplies the majority of the water to Hudaydah City.

On 29 July, the Humanitarian Coordinator for Yemen, Lise Grande issued a statement warning that civilians are at extreme risk from airstrikes in Al Hudaydah Governorate where an unstoppable epidemic of cholera could be triggered should water and sanitation system breakdown. As of 29 July, some 30,647 displaced households (HH) from Al Hudaydah Governorate have been assisted through the rapid response mechanism (RRM) out of a total of 39,995 HHs registered.

Beneficiaries per Cluster

IBB GOVERNORATE

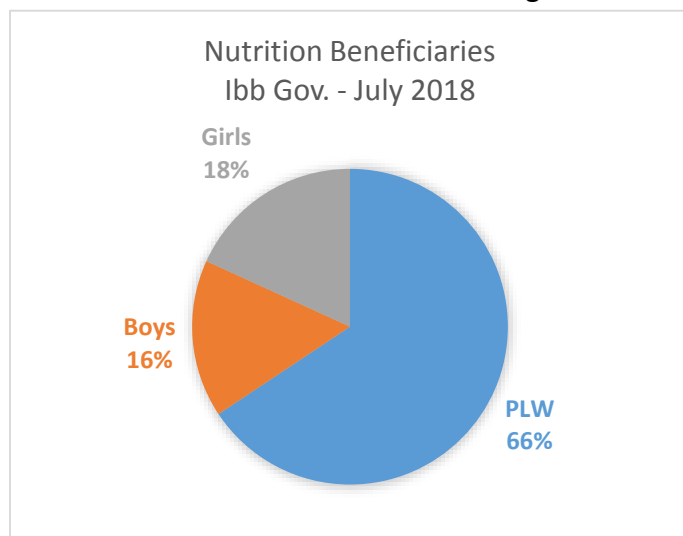

Total beneficiaries reached: **8,844 individuals**

DISTRICTS: Fara Al-Udayn - Mudhaikhera - As Sabra

Nutrition:

Daily Nutritional Services in Mudhiakhera District:

Our nutritionists in four targeted health centers (Bani Ali – Halian – Al-Sharqi – Al-Afuash) continue providing nutritional services such as Outpatient Therapeutic Program (OTP), Targeted Supplementary Feeding Program (TSFP) for Children Under five (CU5) and Pregnant & Lactating Women (PLW), reaching a total number of 2,068 individuals in Mudhiakhera district of Ibb governorate.

CMAM Training for HWs in Mudhaikhera District:

On July 19th, 2018, our team conducted the CMAM basic training and IYCF within the activities of the integrated health, nutrition project in Mudhiakhera district of Ibb governorate. This eight – day training was targeting 12 health workers in order to enhance their skills on dealing with acute malnutrition cases.

UNOCHA Observation:

UNOCHA conducted a field visit to monitor the health and nutrition services provided by four targeted health centers (Bani Ali – Halyan – Al-Sharqi – Al-Afuash) managed by RDP in Mudhaikhara district of Ibb governorate.

Health:

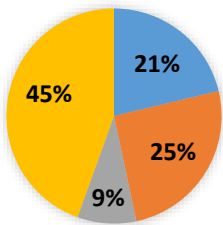

Daily Health Services in Mudhiakhara District:

A total number of 4,709 individuals continue to receive free medical services including Primary Health Care (PHC), Vaccination, Integrated Management Childhood Illnesses (IMCI), Reproductive Health services (RH) through four targeted health centers (Bani Ali – Halyan – Al-Sharqi – Al-Afuash) which we support to provide assistance for patients of many diseases, children, and Pregnant & Lactating Women (PLW) in reproductive age, living in Mudhiakhara district of Ibb governorate.

Health Beneficiaries
Ibb Gov. - July 2018

Boys Girls Men Women

Water, Sanitation and Hygiene (WASH):

Najid Aljumaiei health center is completely rehabilitated: Our WASH team has finally completed the last remaining activities such as the brick incinerator, the installation of Aluminum windows and doors ... etc in the old building of Najid Aljumaiei health center.

Emergency Water Supply: Our field team continues the daily water provision to benefit 1,954 individuals through 5 installed water tanks which are filled twice a day in Al-Ahmol area, Fara Al-Udayn district of Ibb governorate.

Hygiene Awareness – Raising: To help improve families' health and prevent further diseases outbreaks, RDP volunteers have conducted WASH awareness sessions for 113 individuals disaggregated (83 men, 13 women, 9 boys, 8 girls) of IDPs and affected host communities in Al-Ahmol area of Fara Al-Udayn district, delivering many hygiene messages to raise awareness about the importance of WASH and how to practice it through daily life.

TAIZZ GOVERNORATE

Total beneficiaries reached: **38,876 individuals**

DISTRICTS: Ash Shamayatayn - Mawiyah - Shara'b Ar-Rawnah

Nutrition:

Daily Nutritional Services in Ash Shamayatayn:

According to the CMAM program, our targeted health centers (Adeem Hadharim – Maternity & Childhood) continue providing therapeutic nutritional services for all children under five and pregnant & lactating women, reaching a total number of 2,817 beneficiaries in Ash Shamayatayn district, Taizz governorate.

Health:

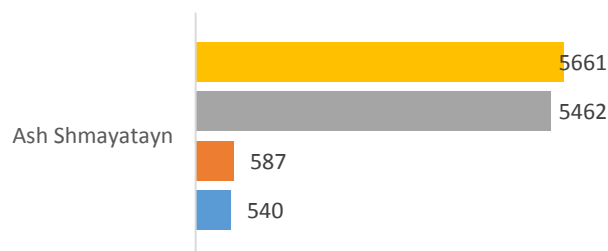

Free Medications & Medical Consultations in Ash Shamayatayn:

Through July, our health team has launched the first distribution of free medications, benefiting 613 individuals and provided medical consultations for 721 individuals in addition to the nutrition activities provided in Adeem Hadharim HC of Ash Shamayatayn district, Taizz Gov.

WASH Beneficiaries Ash Shmayatayn - July 2018

■ Women ■ Men ■ Girls ■ Boys

Water, Sanitation and Hygiene (WASH):

WASH Basic Services: Our WASH field team has distributed 1,750 Hygiene Kits to benefit 12,250 beneficiaries disaggregated (5,462 men, 5,661 women, 540 boys, 587 girls) for most affected families with malnourished cases either children under 5 or Pregnant & Lactating Women (PLW) in Ash Shamayatayn district of Taizz governorate.

Food Security and Livelihoods:

Third PDM Survey in Ash Shamayatayn District:

To determine whether the third distribution cycle of food baskets progressed or not, and to measure its effectiveness and impact on the recipient population, our FSL enumerators have conducted the third PDM activity right after the implementation of the third distribution cycle of food baskets, taking samples from 10% of the overall HHs in (Alasabih, Adeem, Hadharem, Alzakeria) sub-districts of Ash Shamayatayn district, Taizz governorate.

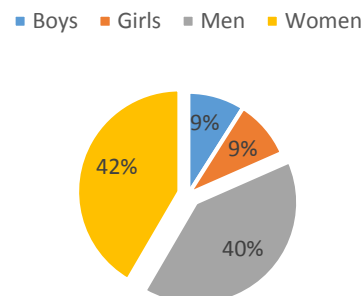

Second Distribution Cycle of Food Assistance Vouchers in Shara'b Ar Rawnah:

Our FSL team had launched the first distribution cycle of food assistance vouchers, reaching a total number of 3158 HHs, 22,106 beneficiaries disaggregated (8842 men, 9196 women, 1990 boys, 2078 girls) by utilizing the voucher modality for the most affected and vulnerable households in five sub-districts (Sharqi Hamir, Bani Samie'a, Aleawadir, Bani Murir (Qubair), Hasiat Alhajj (Alsharqia)), Shara'b Ar Rawnah district of Taizz governorate.

First Post Distribution Monitoring (PDM) Survey in Shara'b Ar Rawnah District:

Our FSL enumerators have launched the first PDM activity right after the implementation of the first distribution cycle of food baskets in order to determine whether the first distribution cycle of food baskets progressed or not, and to measure its effectiveness and impact on the recipient population by taking samples from 10% of the overall HHs in (Sharqi Hamir, Bani Samie'a, Aleawadir, Bani Murir (Qubair), Hasiat Alhajj (Alsharqia)) sub-districts of Shara'b Ar Rawnah district, Taizz governorate.

Food Security Beneficiaries
Shara'b Ar Rawnah - July 2018

First Distribution Cycle of Food baskets in Alzakeria sub-district.

In addition to the second & third distribution cycles of food assistance vouchers in Alzakeria sub-district that was targeted after the first distribution cycle in Al-Asabeh, Adeem, and Hadharem sub-districts of Ash Shamayatayn district, our FSL team launched the first distribution cycle of food baskets in July, 2018, benefiting 191 HHs of 982 individuals disaggregated (230 men, 240 women, 280 boys, 232 girls) by utilizing the voucher modality for the most affected and vulnerable households in Alzakeria sub-district of Ash Shamayatayn district, Taizz Gov.
