

Overview

**In Al Hudaydah hub,** strikes near AlThawra hospital, a fish market, and the radio building in Al Hudaydah City result in several deaths and injuries. These attacks against civilian persons and objects are a violation of IHL (International Humanitarian Law) and may constitute a war crime.

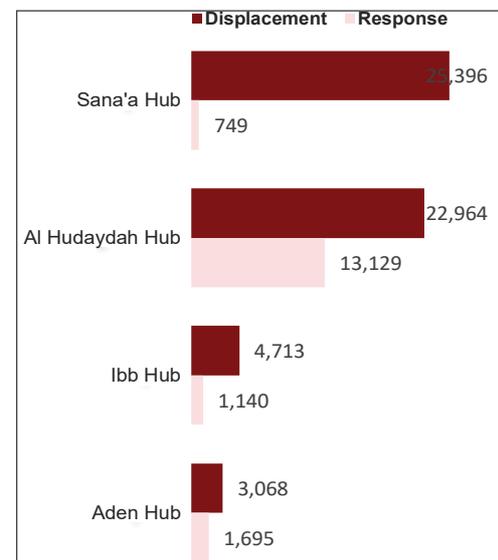

**In Sana'a hub,** authorities agreed to allow a discreet cash for rent scheme for 278 families from Al Hudaydah who have recently been hosted in 9 schools in Amanat Al Asimah. SNC (Sub-National Cluster) organized a meeting with the Partners working in the Transit and IDP hosting sites (schools) to discuss sequences for the implementation of the agreed scheme to ensure capturing the needs of sites residents through multi-sectoral needs assessment, payment of cash for rent, restoration of schools and identification of new site for continued registration of new IDPs from Al Hudaydah. ADRA reported that there are 36 IDP families who are residing in Mahw Al Omiah school and Al Hamzah school in Dhamar governorate

**In Aden hub,** the security situation in Aden governorate worsened further this week with two IEDs (Improvised Explosive Devices) explosions in Enma'a city and Al Mualla district also the city experienced security unrest including blocked roads due to public protest and security deployments that spread in various locations.

Response

**In AlHudyadah hub,** , NFIs (Non-Food Items) distributions completed by UNHCR through JAAHD (Jeel Albenah Association for Humanitarian Development) for 578 families in Al Munirah district and 1,050 families in Al Garrahi district also EESKs (Enhanced Emergency Shelter Kit) distributions completed for 68 families in Al Munirah district, 200 families in Al Garrahi district and partial kits for 889 families in Az Zuhrah district. The kits ensured that the families have access to basic, safe and dignified sheltering, offering integrated protection for safety from the elements and the surrounding environment as well as the essential household items.

**In Sana'a hub,** UNHCR through ADRA assisted a total of 447 families with NFIs in Amanat Al Asimah and provided 9 schools that are hosting IDPs with gas cylinder for cooking also NFIs were provided to 36 families in two schools that are hosting IDPs in Dhamar governorate and through YRCS (Yemen Red Crescent Society) 48 families were assisted in Amran. The household items distributed addressed the critical needs of the most vulnerable families and reinforced their coping strategies.

**In Aden hub,** UNHCR through SHS completed the distribution of blankets, water buckets, sleeping mats, kitchen sets and mosquito nets to 1,339 IDP families in Shabwah governorate and 1,213 families in Hadramaut governorate also through HYAC (Al Heikmah Al Yemaniah Association Charity) the distributions continued in Hays district (AlHudaydah) to cover 369 families. The families targeted were in urgent need for the essential household items to survive as they have displaced without any personal belongings.
